Dog friendly: Dogs are welcome under close control

Full trail: Miles: 1 (km: 1.6)

Duration: 40 mins

### Terrain

The route is relatively flat with gentle slopes. There are stepping stones across the stream and steps around the route, with one stile, one bridge to cross and one pedestrian gate to go through. The route can be slippery when wet.

### Total steps: 4

Start point: National Trust Car Park, EX39 6L ; grid ref: SS212179

1. From the car park head for the stream, over the stepping stones and turn right at the waymarker to walk up the valley. If the river is in flood you can follow the footpath up the river on this side.
2. Upon reaching the bridge turn right onto the road.
3. Follow the road to the crossroads and head back down the lane towards the car park.
4. After passing the National Trust sign look out for a small gate on the right. Pass through this gate and the impressive view unfolds before you. Follow this path back to the car park.

End point: National Trust Car Park; grid ref: SS212179
