## 125th anniversary trail

2020 was the 125th anniversary of the National Trust in 2020, so to celebrate we created this 1.25km walk. This accessible walk meanders along woodland paths, past wild meadows and towards stretching sea views.

### **i** Looking for a longer walk?

From step 4 you can follow the stepped path down the garden and out on to the South West Coast Path. This path follows a steep descent, so is not suitable for wheelchairs, buggies, or those looking to avoid steps.

Full trail: Miles: 0.77 (km: 1.23)

Access: Easy

Duration: 30 mins

### Terrain

Mixture of paved, tarmacked and compacted gravel paths suitable for wheelchair users and buggies. Some gentle slopes. Benches along route at key viewpoints.

### Total steps: 5

Start point: Visitor reception, Coleton Fishacre, Brownstone Road, Kingswear, TQ6 0EQ

1. Walk past the café and cross the main tarmac path onto the top gravel path which runs behind the house. This will take you along the top of the Coleton Fishacre garden and through the woodland.
2. Once past the back of the house, you'll emerge out from under the trees and into an open space with a bench to your left. You can take a break here and admire the sea view and gazebo below.
3. Continue along this path passing wild meadows and on through paddock wood. On the left is the den building area, and there's a couple of benches a little further along this point for rest and view points of the valley garden.
4. Continue all the way to the end of this path and admire the view of the rugged coastline towards Dartmouth. You are now at Scout Point, which is one of the best viewpoints at Coleton Fishacre.
5. Return along the same path past the meadow which will lead you back to the house, café and shop.

End point: Visitor reception, Coleton Fishacre, Brownstone Road, Kingswear, TQ6 0EQ
